

Orloff CAJE Professional Development Subsidy Application Form 2017-2078

Subsidies for professional development are provided through a generous grant from Jewish Federation of Broward County to support educational excellence in our community.

Priority will be given to participants attending conference/program for the 1st time.

For program subsidy consideration we ask teachers to complete this application. Subsidies from CAJE will be determined by the Educational Excellence Committee. For GRATZ and other on line programs submission dates will be reviewed as needed.

Submissions will be reviewed 3 times a year. Please submit applications by October 23, January 8, and March 5 to be considered for conference before those times. Each awardee will be expected to submit a short article for the CAJE newsletter and may be asked to do presentations on what they learned at CAJE Board meetings and or teacher gatherings.

Date: _____/_____/_____
